Summer Riding Camp

Wolf Creek's summer program is more than a camp- it is an experience for anyone who wants to be around horses. All campers will train daily with some of the finest riding instructors in the area. Everyday will bring a new adventure. Our mornings will start with the care and feeding of the horses. Some days will include live demonstrations or

guest speakers. The students will enjoy a daily, mounted lesson, and the importance of learning all about the horses from the ground.

There will be a lunch break, followed by some fun extras, such as arts and crafts.

Wolf Creek offers weekly summer camps for horse lovers aged 5-17, with both full and half day programs available. Summer camp is a wonderful way to encourage your child's love of horses. This special time will allow them to experience all of the challenges and rewards horses have to offer. Our camp programs have a strong emphasis on learning the safe and proper handling of horses. In addition, our campers will learn strong, basic riding skills that will serve them for years to come.

If you are interested in bringing your own horse to camp, please contact us to further discuss that option.

Discounts will apply to those who sign up for more than one session.

Children can attend daily—\$50 for half day sessions and \$70 for full day sessions.
